CATALOG, MAILED ON REQUEST.

OUR NEW DAHLIA PATRICK O'MARA

The sensation of the New York Show of the American Dahlia Society in 1920 where it was awarded the following: American Dahlia Society gold medal, Society of American Florists silver medal, Toronto Horticulture Society bronze medal, American Dahlia Society certificate of merit.

Received the highest score at the trial grounds of the American Dahlia Society at the Connecticut Agriculture College in 1920, under ordinary field culture.

Featured and praised alike by the daily papers and trade journals.

During the trying season of 1921 it maintained its reputation in every way, giving almost universal satisfaction all over the country and a prize winner wherever exhibited.

The flowers can be grown to enormous size by special care. Under ordinary field culture; they are about five to six inches in diameter, produced on long stems, which hold the flower erect. The color is an unusually soft and pleasing shade of orange buff, slightly tinged with neyon rose, a rare autumn shade that is greatly in demand. It is a splendid shipping and long-keeping Dahlia. We feel safe in saying there is none better for commercial use or more pleasing for the garden.

We offer a limited number of whole field clumps at \$5.00 each, \$400.00 per 100.

Single tubers for the retail trade at \$25.00 per dozen, \$150.00 per 100. The retail price is to be \$3.00 each, for Spring delivery, tubers or plants,

FERNS

It will soon be getting cold and risky to ship ferns crated, the way they travel best; better get your supply on hand. Just now we have an exceptionally fine stock on hand in all sizes, stock which we are confident will meet every requirement of the most critical customers. Packed without pots and no charge for packing this month.

PALMS. KENTIA

On account of shortage of room for growing on, we have decided to offer a part of our Kentias this fall, instead of waiting until next spring, as we had intended. Our stock is exceptionally clean and healthy and will compare in quality very favorably with any stock in the country. The pot sizes are shipped without pots, the seven and eight inch are in cedar tubs and will be shipped in the tubs without charge for packing until cold weather.

AGERATUM-FRASERII

Wherever Ageratum Fraserii is seen this season it has drawn forth only favorable comments and it is proving our claim made for it last Spring, that it would prove a grand acquisition to the bedding plant line furnishing a satisfactory blue, that could be used as

a border plant or in connection with Alternantheras, Dusty Miller, etc. as a pot plant, it is satisfactory from every point of view.

Good strong 3-inch stock, ready for immediate shipment, \$1.00 per doz., \$6.00 per 100; 2-inch, \$4.00 per 100.

3-inch, 75 cts. per dozen. \$3.75 per 100. \$35.00 per 1,000.

GERANIUMS

In regard to Geraniums. The summer has been most unfavorable for Geranium propagation, during the six weeks of hot weather in June and July we lost thousands of cuttings that we should have had to fill late Summer and Fall orders, while we have on hand quite a bunch of stock in three inch pots our list of varieties is somewhat deplete. We can only accept orders conditionally, that we have the varieties on hand, or can substitute. The hot weather has affected the stock that it is slow in starting into growth, so that it will be late in the Fall before we will have any quantity to offer, in fact, as far as we can find out this is the general condition existing throughout the Geranium market. Our advice is get what Geraniums you can and get them early. We only offer three inch at \$4.50 per 100.

SCENTED GERANIUMS

Some of the scented Geraniums make very desirable window box plants, as they are not only graceful in their growth, but by being sweet scented impart a refinement to the boxes that cannot otherwise be produced.

The Rose and such kinds should be more extensively used as sprays among cut flowers, as they are favorites with most people.

Balm.—Large flower, upper petals white lilac, lower petals dark, large leaves, with very strong fragrance.

Capitatum.—Small cut leaf, rose scented.

Clorinda.—Deep green foliage, flowers of good size and quite an improvement in that respect, of a bright rose cerise shade, splendid winter bloomer, very free flowering.

Dale Park Beauty.—Pleasing and fragrant foliage, immense flowers, broad lower petals deep lilac, upper petals purplish crimson maroon, feathered dark maroon.

Felicifolium.—Very attractive on account of its beautiful fern-like foliage, both as a plant and when used among flowers, a great favorite.

Lady Mary.—Upper petals rose-lake shaded violet crimson, lower petals blush white, small flowers, very pleasing odor.

Mrs. Kingsbury.—Magenta crimson, shading lighter to a white eye, upper petals veined maroon, sweet scented foliage.

Oak Leaved.—Leaves somewhat resembling those of an oak leaf, dark chocolate center.

Pheasant's Foot.—Large foliage.

Quericifolium.—Oak-leaved foliage, leaf black centre, very attractive.

Rose.—The standard rose scented, a favorite since it was introduced.

Scarlet Unique.—Excellent habit, full scarlet flowers, blotched with maroon.

Schotteshampet.—Filbert scented.

Tomentosum.—Large, flat woolly foliage, highly scented with peppermint.

3-inch, \$4.50 per 100, \$45.00 per 1,000.

Schotteshampet.

3-inch, \$1.00 per doz. \$4.50 per 100, \$45.00 per 1,000.

HARDY ENGLISH IVY

At this time we have on hand a large stock of strong Hardy English Ivy, the two inch will run from six to twelve inches, while the three inch will run from twelve inches to twenty inches or longer.

2-inch, \$2.75 per 100, \$25.00 per 1,000.

3-inch, 3.75 per 100. 35.00 per 1,000.

HARDY IVY BASKETS

Twelve inch wire baskets, well filled with Ivy, sprays thirty to thirty-six inches long, four heavy wire handles, well covered. \$5.00 each.

HELIOTROPE

Chieftain.—This is the old favorite, sweet scented Heliotrope, free flowering, light lilac, long stem.

Mad. Bruant.—Deep lilac purple, large flowers borne in large trusses, strong robust grower.

Mad. de Blonay.—Large almost pure white flowers, freely produced, large handsome foliage.

2-inch, \$0.60 per doz. \$2.75 per 100. \$25.00 per 1,000.

LEMON VERBENAS

Well known for its sweet lemon scented foliage, which is largely used among flowers, which have no scent of their own.

2-inch, \$2.75 per 100, 3-inch, \$3.75 per 100.

MOONVINE

A quick-growing vine, having rich green foliage, one of the best vines that can be had for covering porches, etc. The beautiful, pure, large white flowers when open of an evening produce an effect which almost baffles description. The flowers of Leari are a most beautiful blue. They remain open well into the morning.

Noctiflora.—The standard white Moonvine.

Leari (Blue Dawn Flower).—Generally known as the Blue Moon-flower.

3-inch, \$0.75 per doz. \$3.75 per 100. \$35.00 per 1,000.

PETUNIAS

Our petunias are all cuttings, propagated from selected stock. The doubles and singles embrace a good range of color, the Rosy Morn are all one shade of clear rosy pink.

Good stock of two and three inch ready for immediate shipment. The three inch gotten now and grown on should make a big lot of cuttings.

2-inch, \$0.60 per doz, \$2.75 per 100, \$25.00 per 1,000.

3-inch, .75 per doz. 3.75 per 100, 35.00 per 1,000.

PELARGONIUMS

We have a good assortment of eight splendid varieties, including Wilbur Wright: A dwarf, compact grower, early and free flowering, large trusses, freely produced. an exquisite shade of mauve rose, each petal blotched with dark velvety maroon. A strikingly handsome Pelargonium.

\$1.50 per doz. \$10.00 per 100.
